# MARK'S MEMO

In just about a week, we'll be enjoying the Webfooters 38th Annual Antique Paper Round-Up. Our weekend kicks off with our 12th Annual Antique Paper Auction on Friday evening. This is one of only a few antique paper auctions in the world. The auction preview begins at 4:00 pm and continues until 6:30 pm. At 5:00 pm we begin our banquet dinner and it will be served until 6:15 pm. The Live Auction begins at 6:30 pm.

The cost of the banquet dinner remains at \$18 per person, which includes the gratuity. The banquet is served buffet-style and on the menu this year: Chicken Parmesan and Pork Loin with Apple Chutney with all the trimmings including a garden fresh salad, pasta salad, dinner rolls, green beans, carrots and potatoes. We'll also have assorted desserts. Advance reservations are required and can be made by contacting Maggie Parypa at 503-459-7151 by April 15, 2018.

Thanks to our generous donors, we have some great items in our auction, and we have provided a list of over 75 items that will be auctioned. We hope you will bid early and often. I know there are several lots I will be bidding on, so bring on your bids. The money we raise at our auctions helps to keep our club in operation and it allows us to continue holding an Antique Paper Round-Up. Our new rosters should be available for pick-up at the Round-Up.

How do we hold one of the largest postcard shows on the West Coast in this day and age and not charge admission? This is part of our commitment to making historic postcards, photographs and antique paper collectibles available to our members as well as the general public. If you have attended our auctions in the past, you know that the items in the lots are always a bargain. The Silent Auction bidding endings are on Sunday beginning at 2:00 pm.

Our dealers shoulder the basic costs of the facility and our operating expenses and we appreciate their support of the Webfooters. This year, we have four member-dealers who haven't done the Antique Paper Round-Up before and we have dealers coming from Oregon, Washington, California, Montana and Florida. We rely on donations and the proceeds from our auctions to fill in the gaps and supplement our advertising costs.

We remind our dealers and attendees that our contract with Portland Meadows requires that food and beverages may not be brought into the facility. You can show your support for the Webfooters and help us keep the cost of the facility down by purchasing your food and beverages at Portland Meadows. This helps us have a more successful and enjoyable event. Come join us for a night of fun and camaraderie with fellow antique paper collectors.

This past weekend, I was honored to represent the Webfooters as the guest speaker for the National Railway Historical Society's Pacific Northwest Chapter Annual Banquet. The topic was Portland's History Revealed in Postcards.
